LODGE SUBSCRIPTION FORM

Since its founding in 1928, the Philaethes Society has been devoted to the promotion of the highest quality Masonic education and research. Our 44- page quarterly publication goes out to thousands of Masons who *“seek Light and have Light to give.”*

The *Philaethes* journal features thought-provoking, well-informed articles on Masonic symbolism, philosophy, ritual, artwork, literature and history. Each issue has something for the new Mason as well as the seasoned worker in the quarries.

We believe that today’s Freemasons are acutely curious about the meaning of the Craft in their lives. They want to understand more deeply the profound lessons of the ritual. Greater insight into the nature of Masonic initiation requires a search for knowledge, and *Philaethes* is ready to be a trusted ally on that quest.

Anxious to extend our mission of promoting quality Masonic education and research, the Executive Board of the Society is offering a **“Lodge Subscription Program.”** As many Masons prefer electronic dissemination of materials, we would like to put the *Philaethes* Journal into the hands of your lodge brothers who want to continue their quest for further Light in Masonry.

For a nominal annual fee every lodge can send out an electronic copy of the *Philaethes* Journal four times a year via an email attachment of our Journal in PDF format. All we need is some basic contact information and payment made on a lodge check. Here is a great opportunity to help your lodge members be better informed and grow in their Masonic knowledge.
